Technical Education Program

The Indiana Professional Lawn & Landscape Association will present a unique approach to industry education. Our 2008 series of Winter Regional Meetings will be held at four locations around the state in February. Eight leading chemical manufacturers have been invited to share in-depth information about new products and technology available to the green industry. Participating firms will include:

Arysta Life Science
Dow AgroSciences
PBI Gordon
Syngenta

Bayer Environmental Science
Monsanto Company
SePro Corporation
Valent Professional Products

These firms will conduct an in depth technical update on each product's pest spectrum, mode of action, and a review of the product label. We'll also review personal protective equipment required by users, appropriate application rates, and toxicology. Chemistries to be covered will include:

Disarm Turf Fungicide
Allectus Turf Insecticide
Dimension Herbicide
Round-Up Pro
Q4 Herbicide
Octane Turf Herbicide
Meridian Insecticide
Safari Ornamental Insecticide

Shuttle Ornamental Miticide
Forbid Miticide
Eagle Ornamental Fungicide
Certainty Herbicide
SpeedZone Turf Herbicide
Cutlass Ornamental Growth Regulator
Tenacity Herbicide
Tetrasan Ornamental Insecticide
